SENIORS

CLASS HISTORY

We were a group of terrified "green" freshmen when we entered this building in 1958. But we showed great confidence in electing David Elbert as our class president. Other officers elected were Mary Kruse, vice-president; Steve Brown, treasurer; Patricia Baxter, secretary; and Burns Mossman, Judy Roths, and Carole Steffenson, student council members.

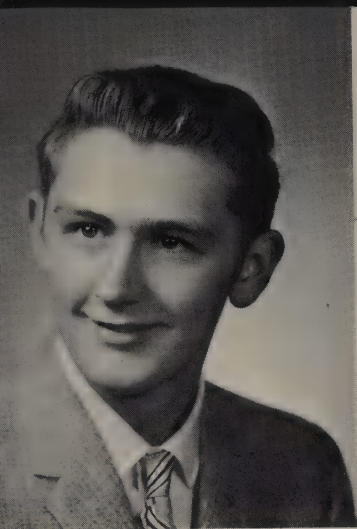

We began our sophomore year by electing Patricia Baxter as president; Steve Brown, vice-president; Delores Primus, secretary; Sharon Offt, treasurer; and Burns Mossman and Carole Steffenson as student council members. This year we became much wiser or at least we thought we did.

Our junior year was brought to a very successful climax by the Junior-Senior banquet-prom. We chose "Hawaiian Holiday" as our theme. As a whole our junior year was a huge success under the leadership of Burns Mossman, president; Delores Primus, vice-president; Carolyn Kueny, secretary; Sharon Offt, treasurer; Patricia Baxter and Carole Steffenson student council.

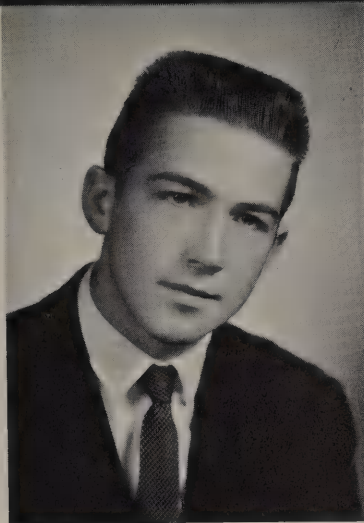

Our senior year has been busy, fun, and exciting. Although we were anxious to graduate, we were also sorry to see our high school days come to an end. Through it all our class has forged ahead and tried to clear the path a little more for next year's seniors. Our officers were Burns Mossman, president; Nicki Gallup, vice-president; Sharon Offt, secretary-treasurer; and Carolyn Kueny, president of the student body.

We will always carry with us the memory of happy times when we were students of Washington High.

FOOTBALL

After two years of the best football Vinton has enjoyed, there was bound to be a let-down. The 1960 season was the one in which that let-down occurred.

The Vikings were green and untried as the season opened. Only four lettermen returned from last year's Wamac championship team. These lettermen were: Kendall Meyer, Dave Potter, Bill McBride, LaVerne Welch, Tom Radcliffe, Steve Abernathy, Phil Torpey, Dick Hood, Norm Goodell, and Doug Stuffelbeam. This group formed the nucleus of this year's team.

The lack of speed, experience, and size showed up throughout the season as the Vikings posted 2-5-1 record. The wins came in the opener at Belle Plaine and Homecoming against Independence.

This year's season brought a new unit to the Vinton team. This unit, known as the Rebels, was composed of underclassmen who will compose next year's team. It is hoped that the Rebels with the experience they gained this year will be able to improve on next year's season as compared to this years.

BASKETBALL

The only trouble with this year's basketball team has been the inconsistency to put the ball through the hoop. The team has shown good spirit and hustle, but has been unable to get a break when they needed it. As a result, Vinton is having a terrible basketball season.

Members of the team are Roger Uthoff, Burns Mossman, Phil Torpey, Dave Potter, Don Eells, Rocky O'Deen and Kendall Meyer.

With the last half of the season remaining, it is hoped the Vikings will improve.

WRESTLING

This year we have 26 boys out for wrestling, of which five are seniors. The squad has shown steady improvement this year and some of the underclassmen have been making the Juniors and Seniors work to retain their varsity positions. Gary Tharp has again picked up the most wins to be the varsity leader.

The wrestlers were especially pleased to acquire a new work out room in the West Building. This has been a real improvement and of much value to the squad.

Since the start of wrestling in Vinton three years ago, we have seen many improvements and advancements. This years team has made a fine showing and we'll expect even greater things from them next year.

BASEBALL

The 1960 summer baseball team was a complete success for the Vikings. They posted a 10-1 season losing the last game of the year to Keystone in the sectional final.

The 1961 spring season should be successful providing the Vikings have good pitching. Lettermen returning are Burns Mossman, Kendall Meyer, Larry Howe, Phil Torpey, and Walt Long. Since Roy Johnson has come to Vinton, baseball has been on the upswing and we hope will continue to do so.

TRACK

The Viking cindermen will again be handicapped without the use of a completed track. It is hoped that the track will be completed by next spring so the Vinton team can again become respectable.

Returning from last years team are Dave Grove, Russ Gray, Joe Vermadahl, Steve Abernathy, Tom Blanchard and Doug Stuffelbeam.

GOLF

This year the Vikings will compete in the State Tournament and several dual meets. The success of the team will depend upon how well some newcomers will develop.

G. R. A.

The Vinton High School Girls' Recreation Association was started in October, 1947. It was then known as Girls' Athletic Association, but since has been changed. Also this Association has grown a great deal since 1947. There is a total of 103 members.

There was nothing like throwing a bowling ball down the gutter to start off the year. This was held after school at the bowling alley. Then came basketball intramurals with all the bumps and bruises. Also there was volleyball, softball, badminton, and soccer all of which were a lot of fun.

Several sports days were attended by the girls. Fun and good sportsmanship has made this a very successful and wonderful year in G.R.A.

In order for a girl to belong to Vinton High School Girls' Recreation Association, she need only be a member of Washington High, attend the meetings and pay her dues. Also she may be eligible to go to G.R.A. Camp at Madrid, Iowa.

NATIONAL HONOR SOCIETY

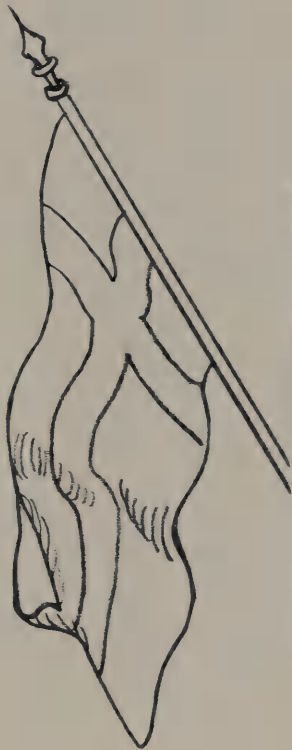

Membership in the National Honor Society shall be based on Scholarship, Service, Leadership, and Character. Candidates shall have spent at least one year in Washington High School and shall be members of the senior or junior class. Candidates eligible to election to the chapter shall have a scholarship average in the upper fourth of their class. Their eligibility shall then be considered on their Service, Leadership, and Character.

The purpose of this Society as defined in the constitution is to create an enthusiasm for Scholarship, to stimulate desire to render Service, to promote Leadership, and to develop Character in the students of the American secondary schools. No honor conferred by the school excels that represented by this Society. It represents the fundamental objectives for which schools are instituted and gives recognition to those who have attained most nearly the desired goals. Other honors at the disposal of the schools are only partial in a sense that they recognize specialized ability, skill, or talent, but this Society looks upon education as a total product measured by the four dimensions of life. The aim shall be to hold before the school such motives as shall induce others to aspire to scholarly habits, to enlist in worthy service, and to lead forward in all things that shall advance the welfare of the school and the individuals.

LENA

During your stay in Vinton, you have made a lasting impression on both the students and citizens of the community. Everyone who knows you, loves you through your winning smile and pleasing personality.

We all feel that Sweden could not have picked a better teen-age ambassador of good will to send to America. Through your speeches about Sweden, the whole community has had an opportunity to learn more about and understand more fully your people, country, and customs.

We will always remember the wonderful times we have all shared together in VHS, and hope you, too, have gained a better understanding of our country. We hope you will always remember your American family, friends, and the activities which you have experienced. You can be sure we will always remember you as the wonderful, friendly, and outstanding Swedish, which you are!

Dear Mary,

When I stop and think of all that has happened this year and all the wacky, daring and sneaky things we've done, I begin to wonder how we ever made it! I could go on forever reminding you of all our experiences this year and in the past, but I think we'll always remember those things, anyway, so I won't go into all of that. Just think of all the "messes" we've been in! Ever since last summer, it seems like we've spent more time trying to decide what to do about certain things and who to do them with! Somehow everything always works out (Except for some of the dumb mistakes I made)! It really has been fun though and how our friendship has withstood it all, I'll never know! But it has and that's the main thing. I hope our future will prove to be just as exciting and as much fun! I hope our "California plans" work out and if they do we'll really have a riot!!

Too bad all of our plans haven't worked out, but they might yet! Never fear! Just don't give up hope!

This probably doesn't mean much to anyone who reads it, but then as long as we know what we're talking about—that's the main thing! All I can say is keep up the sense of humor and Patience (You need that most with me around all the time) and success will be yours!

Best of luck always.

Susie

Mary,
You're a real nice
girl. I've enjoyed you
to the fullest this year,
especially our class
trip. Good luck in the
future and may you
succeed in ~~the~~ any-
thing you attempt.

Dale

Mary,
This year
has really been fun
and it couldn't have been
without your help. Lots of
luck in the future,
Paula

Mary -
When I see Alice
laughing and smiling
you seem to always be
there. I'll always be
remembering you for
laughing. Stay that, always.
Love, Paula

Dear Mary,
Although I've been
here for a short time
I'll always remember
you as one of the first
girls I knew. I know
for the next two years
will be a riot, since
we'll be on our way
to the top.
Good Luck to what-
ever you do.

Very Sincerely
Paulette.

Mary,
Sure have had a
wonderful English
class this year. We
couldn't have gotten
along without you,
girls. I sure hope I'm
not in this class next
year, as always
Paula
